Thank you Ann. It was good meeting you as well. I will see what I can do to get you a copy of the draft MBTA legislation and will start working up materials on both the Permitting Office concept and MBTA non-legislative options. Thank you again for your time and consideration.

Sincerely,  
John

Morning Dan. Hope you had a great weekend. Do you have a few minutes to chat today or tomorrow? I'm trying to figure out the best way for EWAC to provide feedback on regulatory changes and a bit confused between the efforts under secretarial order and recent request for public comment and the timelines for each. Let me know if you have a few minutes to talk through this with me. Many thanks in advance.

John

Rick and Dan,

I hope your week is going well and you are starting to wrap things up for the long weekend. I wanted to see if we could set up some time in the next week or so to talk over the MBTA issues. Could you please let me know what your schedules look like for us to meet?

Thanks in advance.

John

Hi Ann,

I hope this finds you well. I just left you a voicemail on your office line and thought I'd follow-up with an email. It sounds like you are out of the office on vacation through August 7<sup>th</sup> and then I am on vacation that week, but when you get back in if you could shoot me an email with some dates and times later in the month that would work for you to meet up I'd greatly appreciate it. I'd like to continue our discussion on MBTA and some thoughts the Energy and Wildlife Action Coalition has on the subject.

I hope you have a great vacation and look forward to connecting when you return.

JA
